Liberal Leader To Attend Nominating Convention In Lac la Biche, Thursday

J. HARPER PROWSE

Thursday afternoon of this week the Liberal party will select a candidate to run in the June 29 provincial general election. Harper Prowse, Alberta Liberal leader and leader of the opposition in the last legislature, will be in attendance. Following the nomination Mr. Prowse will address the meeting on the issues of the campaign.

In the last provincial election in 1952 Wm. Hamilton, well-known district resident and farm implement dealer, was the Liberal candidate for the Lac la Biche constituency. He lost the election to Harry Lobay, Social Credit, by a margin of about 60 votes. This was the closest run in any rural constituency. It is not known definitely whether or not Mr. Hamilton will seek nomination on Thursday.

The Lac la Biche constituency is one of the largest, geographically speaking, in the province. It is second in size to the Peace River constituency. Both ridings extend north to the Northwest Territories boundary.

1,000 Persons Attend H.M.C.S. Band Concert

A very pleasant time was had by the citizens of Lac la Biche on Sunday afternoon, May 29, when the Navy Band from HMCS, Nonsuch, accompanied by the Wren choral group, under direction of Petty Officer A. Holiwell, presented a very fine concert in the local sports grounds. This affair was originally scheduled for the Memorial Hall but because of the large crowd in attendance it was necessary to hold the event in the open air. Approximately 1000 persons were present.

The band is greatly appreciated here as it is over 20 years since a band has played in Lac la Biche and the concert presented by the Navy, with the kind permission of Cmdr. N. Cameron, commanding officer of HMCS Nonsuch, Edmonton, was enjoyed by all, which was easy to see by the applause which followed each number. The repertoire consisted of many fine and familiar marches, classic and semi-classic and many well-known musical numbers. Besides this there was some very fine entertainment by one of the members of the band, who was a very fine comedian and pantomime artist. The concert was rounded out by the pleasant vocal numbers by the WREN chorus. This aggregation, it must be borne in mind, consists of members of the Royal Canadian Navy (Reserve) and as such they would have to go back to their ordinary occupations the following day after making the return trip of over 300 miles and then presenting a two-hour concert.

After the concert the group was entertained by the local branch of the Canadian Legion. Now that they have found their way here, we all hope that we will have a return engagement in the not too distant future.

HARRY LOBAY NOMINATED AT SOCIAL CREDIT CONVENTION

Over 200 registered delegates attended the Social Credit nominating convention held in Lac la Biche, June 4. It is estimated that between 400 to 500 people attended the meeting to pick a representative for the provincial election and to hear the guest speaker, Hon. Lucien Maynard.

Out of a field of five contestants, Philip Plamondon and Harry Lobay were finalists, with Mr. Lobay winning.

Mr. Lobay, who owns a machinery agency and hardware in Lac la Biche, was first elected to represent the Lac la Biche constituency in 1948. He was re-elected in 1952 and will be seeking his third term of office in the coming election.

Bank Teller Goes To Jasper

LAC LA BICHE — C. P. Birks, teller for the Imperial Bank for almost two years, has been transferred to the Imperial Bank at Jasper. On Saturday, May 28, before his departure a small get-together as a going away gesture was held in his favor. He left on Thursday's train for Jasper.

D. S. Semeniuk, Election Clerk, Leaves For North

GRASSLAND — D. S. Semeniuk, appointed clerk for the Lac la Biche constituency left on Wednesday for points as far north as Fort Fitzgerald for the purpose of distributing ballot boxes and swearing-in officials for the coming election. After proceeding to McMurray by train, he will complete the trip by air.

Boating Mishap Takes Life Of Abbee Man

EDMONTON (BUP) — Two persons were drowned in separate boating accidents in northern Alberta during the week-end.

Edward Tilts, a 36-year-old Edmonton man, drowned at Jackfish Lake, near Stony Plain, and Fritz Friebe, 39, of Abbee, was drowned in Beaver Lake, near Lac la Biche.

Six persons escaped after the two boats sank.

Sixty-five-year-old Egon Carl Schoenberg is credited with saving Tilts' wife and 15-year-old son, and Andrey Yeiss. He pulled them into his boat after a wave brushed over the side of their craft and sank it about 100 feet from shore.

Schoenberg said he had warned the party earlier that their boat was too small to hold all of them.

In the Beaver Lake accident, the boat is said to have overturned while making a turn. The other men aboard swam ashore despite icy water.

Both bodies were recovered.

Fire Destroys Farm Home

GRASSLAND — At about 4 p.m. Wednesday, fire completely destroyed the farm home of Bill Aleksniuk, north of Grassland.

The family escaped unhurt and most of the furniture was saved. The loss is partly covered by insurance.

Mr. and Mrs. Aleksniuk and family are now living in an older house near the one that was lost in the blaze.

Athabasca Man Dies In Highway Accident

ROCHESTER (BUP) — A truck driver died in hospital late Friday after his vehicle overturned near Rochester, about 75 miles north of Edmonton.

Rupert Noddings, of Athabasca, was rushed to the Athabasca Hospital after the accident on highway two. He was later rushed to Edmonton where he died several hours later.

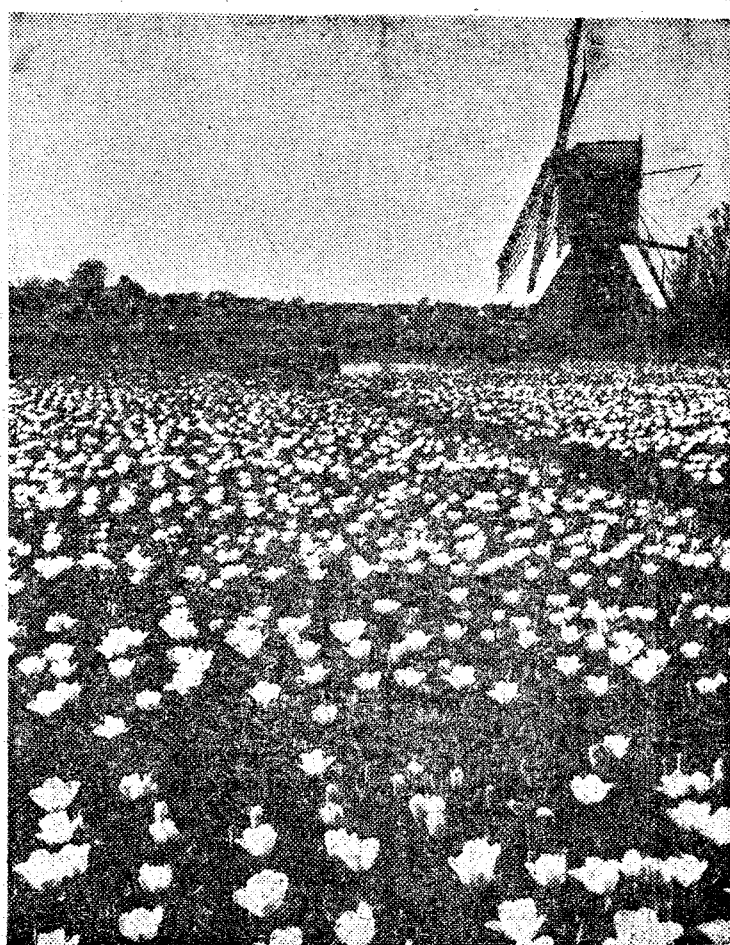

Dodgers Win Four Games

LAC LA BICHE — The Lac la Biche Dodgers were again victorious on Sunday, May 29, in a very closely matched baseball game which ended up 7-4 in seven innings. Boyle maintained the lead until the half-way mark of the game and then Lac la Biche came from behind to take over and remain ahead for the win. This marks the fourth straight win for the Lac la Biche team.

Pitchers: Lac la Biche, Harmon, Tesolin, Olstad; catcher, Lett, Boyle Pitcher, Zilinski; catcher, Benadetto.

TULIPS IN CANADA AND HOLLAND — Every spring a 25-square-mile stretch between Lisse and Haarlem in the Netherlands bursts into brilliant color so gorgeous its beauty surpasses the fanciest imagination. From its superb and massive tulip fields like this (right) near Lisse, Holland, exports more than three million bulbs each year. To Canada last year came 52,500,000 Dutch bulbs valued at more than \$1,250,000, and more are coming

this year. So plentiful are Dutch tulips becoming in Canada they are almost as symbolic of this country as of Holland. Already Ottawa, with justification, claims the title of Canada's Tulip Capital and times its mid-May Tulip Festival to coincide with the tulips peak of magnificence. Verna Rosseau is pictured beside a vast border of Dutch tulips at the foot of the Peace Tower on Ottawa's Parliament Hill.

City May Issue
Directory Yearly

EDMONTON (BUP) — The city finance committee will consider issuing only one telephone book in Edmonton each year instead of three times every two years.

The city telephone department has asked for permission to make the reduction to bring the city system in line with other telephone systems. The city commissioners are expected to make a recommendation to the finance committee on the question.

Telephone Superintendent O.E. Brown said the reduction would save about \$95,000. He said money would also be saved by putting all listings except those on the white pages in four columns instead of three.

Farmers' Union Finds Grain Payment Adequate

EDMONTON (BUP) — The president of the Farmers' Union of Alberta said today he was "quite pleased" with the initial payments announced in the House of Commons by Trade Minister C. D. Howe.

However, FUA President Henry Young was especially surprised at the announcement. He said after an interview with the trade minister last week that an early announcement was expected.

A delegation from the Interprovincial Farm Union Council asked Howe that the initial payments be kept at the same level as last year. And they were.

Roy C. Marley, the president of the Alberta Federation of Agriculture, said he thought the announcement would be "very satisfactory" to farmers. He said farmers have come to look on the initial payment as an initial payment only and not a final payment, and in view of the circumstances at home and abroad the farmers will look on the repetition of last year's payment as very satisfactory.

Ballot Boxes To North By Plane

EDMONTON (BUP) — Electoral officers in Alberta will be working steadily to prepare the stage for the province's general election.

Raymond Crevelin, chief electoral officer, says the big job in progress at present is the preparation and distribution of ballot boxes.

Some 4000 boxes, jammed with supplies for returning officers and deputy returning officer, are being sent to polls throughout the province's 50 constituencies.

And, says Crevelin, some remote polling stations — particularly in northern constituencies — will receive their ballot boxes and supplies by plane.

Meanwhile, officers say that any qualified resident over 19 years old is eligible to vote in the election. To be a qualified voter, say officers, a person must be a Canadian citizen, must have lived in the province for 12 months, and in his constituency for two months.

Farm Union Council Presents 14 Point Brief In Ottawa

EDMONTON — Henry Young, president of the FUA, has just returned from Ottawa where he took part in a delegation from the Interprovincial Farm Union Council in presenting a 14 point brief to the Agricultural Committee of the House of Commons. Other members of the delegation were Chris Hansen and James Patterson, the president of the Saskatchewan and Manitoba Farm Unions.

The main point stressed in the Farm Union brief was the urgent need for Government action to establish parity prices for Canadian agricultural products within Canada, and adequate floor prices on exports. Another important matter advocated was the extension of the PFPA into a more complete crop insurance plan.

Mr. Young reports that the Farm Union delegation received a very good hearing before the committee, which took a whole day considering their recommendations.

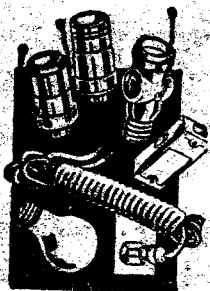

In an interview with Mr. Howe, the request was made to have the initial payments on 1955 grain maintained at the same level as in 1954 and also announced at once. Early action is expected on this.

FOUR ALBERTANS EXPERIMENT AT RANCHING IN YUKON

WHITEHORSE, Yukon, (BUP) — Four young Albertans are trying to strike it rich by ranching beside the storied Dawson Trail of the gold rush days.

A 400-acre ranch only 250 miles south of the Arctic Circle is the scene of the pioneering venture. It is on the Pelly River, about halfway between Dawson City and Whitehorse.

John Stelfox, Hugh Bradley, Buck Godwin and Dick Bradley are tackling the north with modern farm machinery. All but Dick are agricultural graduates of the University of Alberta. He graduated from the Alberta Agricultural School.

Markets are no problem, even though they have to travel the last two miles by boat to reach the ranch in summer. The demand for vegetables in Mayo, Dawson City and Whitehorse is never satisfied.

Potatoes bring 18 to 25 cents a pound, carrots 25 cents, milk 50 cents a quart, cream \$1.50 a quart, and eggs 75 cents a dozen. Baled hay, grown on the ranch, is worth \$240 a ton in the Yukon.

There is practically no competition for customers.

Stelfox, who spent three summers at the federal agricultural experimental station at Mile 1019 on the Alaska Highway, was the originator of the project. Recognizing the marketing possibilities, he decided the halfway point on the Dawson Trail was an ideal location.

Level meadows along the Pelly River are surrounded by mountains. There are sound buildings, including an eight-room log house, log barn, a sawmill and other out-buildings.

The land was first settled in 1903 and has had several owners. The

present owners moved there in 1953 and plan to stay "a lifetime."

While the project is in its early stages, two of the partners work "outside" to bring in revenue. The others stay on the ranch, but alternate their stints outside.

So far, the ranch has a greenhouse, a market garden, cows, chickens, pigs, two teams of horses, four registered Herefords as the basis of a beef herd and a registered Holstein milk cow and two grade milk cows.

Expenses are high because of heavy transportation costs. But there are no taxes on the farm.

The average snowfall is two feet and winter runs from the end of November to the end of March. There is no sun from Nov. 21 to

Jan. 21 but there is almost no night in summer.

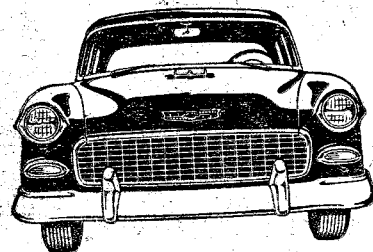

Mail comes twice a week in summer and twice a month in winter.

Besides the farm work, the young ranchers have a long trap line which takes two weeks to patrol. There is all kinds of wild game and plenty of fish. Four tribes of Indians wander through the country.

Howe Says Canadian Wheat Prices Remain Unchanged

OTTAWA.—The Canadian wheat board will continue its initial payment of \$1.40 a bushel for wheat in the crop year starting next Aug. 1.

Trade Minister Howe said in the Commons Tuesday that initial payments for oats and barley in the crop year also will remain unchanged, on the basis of 65 cents a bushel for No. 2 cw oats and 96 cents for No. 3 cw six-row barley.

The wheat payment of \$1.40 a bushel for No. 1 northern at the Lakehead and Vancouver will be made on deliveries of wheat after Aug. 1. It is the same as payments already made on deliveries in the current 1954-55 crop year.

Mr. Howe's announcement follows by two weeks the statement that final payments for wheat under the 1953-54 wheat pool would average 6.384 cents a bushel, bringing the total price for that year's wheat to \$1.56426 a bushel for No. 1 northern.

There has been no interim payment yet on 1954-55 wheat deliveries.

On deliveries of 1954-55 oats, the wheat board already has made payments on the basis of 72 cents a bushel for No. 2 cw grade—the initial payment of 65 cents plus an interim amount of seven cents.

For 1954-55 barley, the board has paid on the basis of \$1.06 a bushel for grade 3 cw 6-row—a 10-cent interim payment on top of the initial 96 cents a bushel.

The local school trustees of the Newbrook School District held the first monthly meeting Saturday. Enlarging the school grounds, planting trees, cleaning the walls to insure good drinking water were among plans under discussion.

Estimate 750 See Jubilee Caravan

Redwater and district residents responded en masse to the visit of the Golden Jubilee Caravan which was on show in Redwater on Wednesday of last week.

Special arrangements were made to have the caravan located in the school yard during the afternoon for the pupils to see the many historic items on display.

The small boys were especially interested in the Indian ceremonial buffalo headress with its gory trail of 12 human scalps. Another popular item with the boys was the set of chaps and other cowboy paraphernalia displayed on the walls. Two ancient Colt pistols on display were the same as one owned by a district family.

The small girls were particularly taken by the beautiful hair combs which were of the type their grandmothers wore in their long hair.

Mothers found one familiar item in the Cree display, a margarine advertisement in Cree sign language!

Some of the older people renewed their acquaintance with Bob Edward's "Calgary Eyeopener", vintage 1905, with its spicy personal column!

The exhibit of early relics of the Oblate Fathers, loaned by the St. Albert Mission, reminded many of that historic spot, and of its founder, Father Lacombe, whose picture was displayed on the wall beside Reverend MacDougall's. Rev. MacDougall founded the first public school in Alberta at Fort

Saskatchewan.

During the evening a fine dis-ticular interest was that of the settlement at Winnipeg, and later The caravan director com- pleted the Redwater and Boyle. An interesting documentary film Polish and German settlers, caused lee Committee on the splendid of the settling of the prairies, first many old-timers to hark back to turnout for the occasion.

THE PEOPLE OF ALBERTA WANT TO KNOW !

1. Why does it cost four times as much to run the Province of Alberta as it does to run the Province of Manitoba, three times as much as the Province of Saskatchewan?
2. Why does Saskatchewan, with a budget of \$78,000,000 have a reputation throughout Canada for providing higher standards of care for T.B. and Cancer patients than Alberta, with a budget of \$223,000,000?
3. Why is Manitoba, with a budget of \$58,000,000, able to put electric power into the farmer's yard without cost to the farmer; while in Alberta the farmer pays an average of \$1,000 for installation costs?
4. Why does Alberta have the highest municipal per capita tax rate in the three prairie provinces?
5. What has happened to the BILLION AND A QUARTER Mr. Manning has had to spend since 1945?
6. Why has Alberta the highest municipal debt in the three prairie provinces?

Rochester

The hall board regular dance was June 3. Sauer's orchestra supplied the music.

Herb Colson has been in Westlock hospital.

The regular meeting of the United Church WA will be held June 14.

A Pee Wee ball team has been formed with Mr. LeGear as coach.

In the recent games at Rochester, Peabroch Pee Wees won 13-1 and Peabroch Juveniles lost to Rochester with a score of 8-5. Men's

game was close with the Jarvie team winning over Rochester by one point. The Rochester students made a good showing in all events and ball games at Colinton track meet.

CHAS. LEBAS

Says

"YOU'LL SWEAR BY AND
NEVER SWEAR AT ESSO
AND ACTO GASOLINES"

You can't do anything about the weather. It often gets too hot or too cold. But when it comes to gasolines you can depend on either Esso or Acto—they work well in any weather. During those busy seasons you'll have no trouble starting your tractor and it will work through the day without a sputter or a miss.

We've got the famous Imperial line of fuels for every kind of tractor—big or small—high compression, low compression or diesel.

Make sure of your supply in plenty of time. It will be delivered right to your farm.

Two More Candidates For Athabasca

Two more candidates entered the running for candidate to represent the Athabasca constituency in the June 29 election.

The Labor Progressive party has nominated John Harry to carry their banner in the provincial election. The Conservative party has named Ernest Appleby to represent them in the coming election.

Mr. Appleby is a junior high teacher in Athabasca. Both candidates are running in the constituency that was represented by Social Credit member in the last election.

St. Thomas Church Is Consecrated

PERRYVALE — The new St. Thomas Anglican Church was consecrated on May 29 by Rt. Rev. Bishop R. J. Pierce of Peace River. Assisting in the service were Archdeacon W. Humphrey and Rev. R. L. Crisfield. The dedication hymn was composed by Mrs. C. Ward, now 86 years of age.

Following the service the ladies of the parish served lunch in the Community Hall.
